Why CAMILLUS HAS THE EDGE

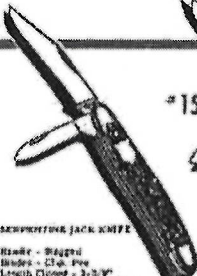

- **BLADES** - of custom-made high carbon spring steel providing extra sharpness, toughness and durability - edges hand honed under oil to provide keenest cutting edge possible.
- **CONSTRUCTION** - Precision made to exacting tolerances. Solid handles of the most durable and attractive stag and plastic.
- **APPEARANCE** - high polish, finished handles, most popular patterns supply customer satisfaction.
- **PACKAGING** - Each knife wrapped in cellophane for more eye appeal, best handling, more protection. New smart boxes numbered on the bottom section in wood markings.
- **ADVERTISING AND SALES PROMOTION** - the line is supported by national consumer advertising. Display space, radio, news, summer radio and newspapers the line the program.
- **CAMILLUS CUTLERY COMPANY** is one of the oldest and largest in the country - over 80 years of pocket knife experience - the country's most modern pocket knife factory.
